

## THINGS TO DO...

---

There are lots of activities for you to keep yourself busy with in Old Amersham.

Our favourite local activities include:

### KEW LITTLE PIGS

Just round the corner from us is none other than a miniature pig farm! You'll probably need to book in advance for this super popular summer day out. Get up close and personal with the miniature pigs. If you want to see more check out their videos on YouTube or Instagram. Very cute! Be careful, might even be cute enough to make you rethink your dinner!

### LOCAL BREWERIES

Why not try a pint of our favourite local beer in the bar and then go and see where it is made! Marlow, Chiltern and Malt The Brewery are a few of our favourites. Please head to their individual websites for more details.

### WALKING & CYCLING

Explore the wonderful Chiltern Hills and surroundings. Pick up one of our complimentary walking maps at reception and get your walking boots on!

## THINGS TO DO...

---

### ROALD DAHL MUSEUM

We hope you remember the BFG, Esio Trot and of course, Charlie and the Chocolate Factory! Visit the infamous author's museum! A great little family attraction, less than half an hour away from us in Great Missenden. Discover the real life adventures that inspired the author's stories. This is a really fun, educational and creative trip out for you and the kids.

### AMERSHAM MUSEUM

The museum welcomes pre-arranged visits by groups outside normal museum opening hours, during the day or in the evening. Discover Amersham's rich history with a guided walk as part of your visit. Open Wednesdays to Sundays and Bank Holiday Mondays, 12noon until 4:30pm.

### BEKONSCOT MODEL VILLAGE

Bekonscot Model Village and Railway is the world's oldest and original model village, opening for the first time in 1929. With 90 years of history, a huge model railway, 1.5 acres of immaculate gardens and finely detailed model buildings Bekonscot is a great day out for everyone.
